Ear Candling 30 minutes \$50

First introduced to North America by the Hopi Indians, ear candles have been used for centuries as a spiritual and physical healing treatment. A lavender paraffin cylinder is carefully placed in each ear, creating a relaxing vacuum which gently removes excess wax and pressure from the ears.

Eyelash and Brow Tinting

Eyebrows and eyelashes are enhanced using vegetable dyes from Germany. We custom blend to match your natural hair color, or mix to create a more dramatic effect. This safe process takes only minutes, creating the illusion of thickness and dimension.

NovaLash™ Eyelash Extensions

NovaLash™ technology allows clients to experience semi-permanent, individual lash extensions. They are the only American-made pharmaceutical grade extension product developed by a team of physicians and chemists for safety. Lashes are applied on a hair-by-hair basis to your own lashes for a totally natural look and feel. Extensions come in varying lengths to create a more dramatic effect. Lash extensions are the perfect choice for special occasions or for those who are unable to wear mascara due to allergies.
