Thank you for visiting Primland.

If you have any questions about the golf course or any other activities that we have to offer, please contact us at (866) 960.7746.

Slower players must allow faster players to play through regardless of the size of the group.

Cart traffic should remain on fairways while playing the hole. Repair your divots on the fairway and tees by using the sand provided on the golf carts and respective tee boxes. Please repair ball marks and rake bunkers.

The rules of golf and etiquette as approved by The United States Golf Association and The Royal and Ancient Golf Club will govern all play except as modified by local rules.
